

SEBASTIAN INLET DISTRICT
NORTH JETTY
IMPROVEMENT PROJECT
PHASES 2 AND 3

Project Background

In June 2025, the District completed Phase 1 of the North Jetty Revetment Improvement Project, rebuilding and improving approximately 220 feet of the jetty.

The North Jetty Improvement Project – Phases 2 and 3 which begins January 2027, continues the rehabilitation of the Sebastian Inlet North Jetty structure.

Phases 2 and 3 Project Scope

Phases 2 and 3 portions of the project entails:

Installation of 48 pre-stressed concrete piles

Jetty concrete and railing repairs

Construction of new jetty decking

Installation of **2,400 tons** of granite armor stone

Project Timeline

ANTICIPATED CONSTRUCTION
January 2027 - July 2028

TEMPORARY PROJECT IMPACTS
North Jetty closure required.
