2018/19 SAND TRAP DREDGING AND BEACH PLACEMENT**

BASE BID SHEET

BASE BID

Placement of 30,000 cubic yards within the DMMA and placement of 119,000 within the beach template prior to May 1, 2019

Item	Description	Estimated Quantity	Unit	Unit Price	Total Based on Estimated Quantities
1	Mobilization/Demobilization ¹	1	Lump Sum		
2	General Conditions ²	1	Lump Sum		
3	Site Prep/Staging Area(s)	1	Lump Sum		
4	Sand Excavation/Placement ³ (Beach Placement)	119,000	Cubic Yards		
5	Excavation/Placement ⁴ (DMMA Placement)	30,000	Cubic Yards		
6	Beach Tilling	1	Lump Sum		
7	BOND	1	Lump Sum		
TOTAL					

Notes:

1. Sixty percent (60%) of Mobilization/Demobilization is to be paid after excavation of 1,000 c.y. of material. The remaining Mobilization/Demobilization (40%) is to be paid upon completion and acceptance of the entire project.
2. General Conditions: Lump sum payment for all incidental costs (reporting, surveying, testing, environmental protection, QA/QC, etc.)
3. Includes excavation, sorting of material, transport, placement and grading of beach compatible material.
4. Includes excavation, transport and placement within the DMMA facility.

BIDDER's may elect to submit bids for the base bid or alternate bids at their discretion. BIDDER's are not required to submit a base bid and may elect to only submit an alternate bid. Bidder's may submit for any combination of base and alternate options.
