

**ADVERTISEMENT FOR BID
SEBASTIAN INLET DISTRICT
NORTH JETTY IMPROVEMENT PROJECT –
PHASES 2 AND 3**

The Sebastian Inlet District (OWNER) is seeking competitive bids to continue the rehabilitation of the Sebastian Inlet north jetty structure with the installation of 48 pre-stressed concrete piles, placement of concrete beams, construction of new jetty decking, and installation of supplemental 4-foot diameter granite armor stone and 3-foot diameter crib stone. The Bid Plans delineate the project access and staging areas as well as the specific improvement locations and project requirements.

The Bid Package is available in electronic form via www.demandstar.com All questions about the meaning or intent of the Contract Documents shall be submitted to the OWNER (Sebastian Inlet District) in writing by Friday, **August 21, 2026** to be considered.

Sealed bids will be received by the OWNER until **2:00 P.M. Friday, September 4, 2026**. All bids either mailed or hand delivered will be received by the Sebastian Inlet District, 114 Sixth Avenue, Indialantic, FL 32903 where they will be opened publicly and read aloud. All bids received after 2:00 P.M. of the day specified above will be returned unopened. No electronic submittals will be accepted.

Pre-Bid Meeting

Please be aware that the OWNER will hold a mandatory onsite **PRE-BID MEETING on Friday, August 14, 2026 at 11:00 a.m. at the Sebastian Inlet North Jetty – Sebastian Inlet State Park north entrance located at 9700 State Road A1A, Melbourne, FL 32951**. The OWNER and ENGINEER will be in attendance to answer questions and explain the intent of the Bid Documents. Attendance at this Pre-Bid Meeting is mandatory, all interested parties are required to attend.
